NURSE BROWN MEMORIAL HOSPITAL.

1008 West Fourth Street,
 NORTH PLATTE, NEBRASKA.

This hospital has been opened for the one purpose of being a help to the sick and suffering of North Platte and the surrounding country in the treatment of Medical, Surgical and Confinement cases, and for the good and well-being of those who desire, in their cure, Homeopathy in its entirety rather than in part.

For we believe that this treatment is scientific, based on the scientific law "Similia Similibus Curentur" (namely a like remedy will cure a like disease) also that it is one of the best (if not the best) with its attendant aid, Official Surgery, in the cure of acute and chronic diseases. For when all other measures have failed if it is the will of the Almighty that the patient recover nothing will cure more quickly, easily, pleasantly or completely.

We expect this organization in the city to be lasting and a monument to the undying fame of Hahnemann and his law, and to this end the hearty co-operation of the General Public is solicited in its support.

North Platte was in great need of a general hospital and we are pleased to find that such a place has been provided in the establishing of "The Good Samaritan."

We of the Nurse Brown Hospital do not expect these institutions to be antagonistic, but we trust that the separation is for the good and each is something that North Platte can well afford to encourage and maintain.

Respectfully yours,
 JOHN S. TWINEM, M. D.

Forchy Passes on Plans.

Richard Forchy, superintendent of construction for the government service, visited in the city Tuesday evening for the purpose of inspecting the federal building to ascertain if the proposed enlargement of the basement could be done without danger of impairing the foundations. He made a thorough examination of the building and informed Postmaster Davis that he would return a favorable report advising the department of the desirability and feasibility of the proposed improvement.

Mr. Forchy stated while here that he had examined many federal buildings but that the one here was kept in the best condition and the neatest of any he had yet seen. He paid high compliment to the men in charge.

While here he also called on the low bidder for the proposed improvement and went over the plans of doing the work. He proposed an excellent plan which he and Mr. Davis had worked out for removing the dirt from the basement. This is the major part of the contract as the basement will not be finished up only to the extent that it can be used as a store room.

Joe Larson has Leg Amputated.

Word was received here Wednesday by the Elks' club and at District Foreman McGraw's office announcing that Joe Larson underwent an operation Wednesday morning at the Methodist hospital in Omaha and had his leg amputated. The leg has been bothering him for some time and he recently underwent an operation on the knee. Tuberculosis of the bone then set in which necessitated the amputation.

Mr. Larson's leg was amputated above the knee and he will be confined to the hospital for some time. Dr. Jonas performed the operation. The operation was necessary to saving his life and he is reported to have come out of it in good condition although he was very weak.

He is also suffering with trouble with his eyes. His many friends here regret to learn of his misfortune.

Obituary—Elbridge Durlay Owens.

Elbridge Durlay Owens who was just taken from us by death at the age of fifty-seven years one month and four days, was born at Bluffton, Ind., November 9th, 1857, and died at Cozad, Nebraska, December 13th, 1914.

Mr. and Mrs. Moses Owens, his parents, two of his brothers and two sisters had gone on before to the other shore.

One brother L. P. Owens of Sutherland, Neb., and one sister still survive him.

He came to Hastings, Neb., in the spring of 1878, and to Cozad in the fall of 1879. On Dec. 29th, 1887, he was united in marriage with Mrs. May B. Jackson. To this union were born seven children, two sons and five daughters, all of whom are living. He was admitted to the bar in 1892.

In 1898 the Thirtieth senatorial district of this state chose him senator. In 1900 he was re-elected senator.

In 1903 he was appointed receiver of the U. S. land office, at North Platte, Nebraska, which position he filled for four years. In 1907 he moved with his family to Delta, Colorado, in the hope of gaining better health. After residing there for one year he returned with his family to Cozad and followed the occupation of farming until the time of his death. In his going our school board has lost a faithful member and our community a helpful and respected citizen.

For twenty-five years he was a faithful member of the Cozad lodge of Odd Fellows and for the same length of time has been a free Mason in good standing. As a Knight Templar he was connected with the commandery at North Platte.

The Knights and the Masonic order of Cozad officiated at his funeral which was held Tuesday at Cozad.—Cozad Friend.
